1. Purpose

These Terms and Conditions of Use (hereinafter, "the Terms") govern the sale and use of digital streaming packs (hereinafter, "the Products") offered by Noé Coinaud. By purchasing my Products, you accept these Terms. I recommend reading these Terms carefully.

2. Nature of the Products

The Products offered are digital goods, delivered in downloadable file formats (e.g., overlays, alerts, transitions, etc.) designed for use on streaming platforms. No physical items will be shipped to the customer.

3. Refund Policy

Under Article L. 221-28 of the Consumer Code, digital products provided immediately after purchase are not eligible for a refund once the download has been completed. By proceeding with the purchase, you expressly waive your right of withdrawal.

4. Usage License

The purchase of our Products grants you a personal, non-exclusive, non-transferable license for use on your own streaming platform. Any resale, distribution, or commercial use of our Products without our written authorization is strictly prohibited. Any violation of this clause may result in legal action.

5. Intellectual Property

All intellectual property rights related to the Products remain the exclusive property of Noé Coinaud. The Products and their content are protected by copyright. You are not authorized to modify, copy, reproduce, distribute, or create derivative works based on my Products without my prior consent.

6. Availability and Functionality of the Products

I strive to ensure access to the Products immediately upon purchase. However, I cannot be held liable for any delay or interruption in the download or provision of the Products due to technical issues beyond my control.

7. Limitation of Liability

My store shall not be held liable for any indirect or intangible damages resulting from the use of my Products, including, without limitation, loss of revenue or data. By purchasing my Products, you acknowledge that you are using them at your own risk.

8. Modifications to the Terms

I reserve the right to modify these Terms at any time. Changes will take effect immediately for any new orders. For prior orders, the terms in effect at the date of purchase will continue to apply.

9. Governing Law and Disputes

These Terms are governed by French law. In the event of a dispute regarding the interpretation or execution of these Terms, the parties agree to seek an amicable solution before any legal action. Failing an amicable agreement, only French courts shall have jurisdiction over the dispute.
